Establishment of Tokyo Gas Asia Pte. Ltd.

Tokyo Gas Co., Ltd.

Tokyo Gas Co., Ltd. (Minato-ku, Tokyo; President: Michiaki Hirose; hereafter "Tokyo Gas") has decided today to establish Tokyo Gas Asia Pte. Ltd. in Singapore.

Tokyo Gas has decided to set up the subsidiary in Singapore to supervise business and investment activities in Southeast Asia. The aim is to help accelerate the development of global business, which is one of the main policies for fiscal 2015-2017 to achieve the "Challenge 2020 Vision."

Tokyo Gas will continue to provide energy solutions to factories and commercial facilities in Southeast Asian countries, and contribute to building energy-related infrastructure there by using the Tokyo Gas Group's total energy business technologies and know-how. Tokyo Gas also plans to create value chain networks, covering all stages from the receipt of energy to energy supply, through alliances with local energy companies.
