## Tokyo Gas Co., Ltd.

#### Abstract

<Cautionary Statement regarding Forward-looking Statements > Statements made in this presentation with respect to Tokyo Gas's present plans, forecasts, strategies, and other information herein that are not expressions of historical fact are forward-looking statements about the future performance of the Company. The Company's actual performance may greatly differ from these projections due to critical factors which include general economic conditions in Japan, crude oil prices, the weather, changes in the foreign exchange rate of the yen, rapid technological innovations, and the Company's responses to the progress of deregulation.

[^0]:    (*1) Operating cash flow is calculated using the simplified accounting treatment of "Net income attributable to the parent company+ Depreciation and amortization." (simplified accounting treatment; differs from amount in Consolidated Statement of Cash Flows)
    (*2) Amounts for Capex and depreciation and amortization are after offsetting of internal transactions.
    (*3) Depreciation and amortization includes amortization of long-term prepaid expenses.

[^1]:    (*1) Net income of consolidated means Net income attributable to the parent company
