

Current status toward Revision of gas tariff

December 22, 2011
Tokyo Gas Co., Ltd.

Tokyo Gas (President: Mr. Tsuyoshi Okamoto, hereafter "Tokyo Gas") plans and arranges necessary preparations to reduce gas tariff next March for the entire small-volume segment encompassing both service and optional agreements in all the districts except Gunma southern district*.

* Tokyo , Kumagaya, Konosu Central and Southern, and Gunma district

After detailed examination and notification to the Minister of Economy, Trade and Industry of changes in our service agreements, etc, Tokyo Gas will announce the percentage, date, etc, of the revision in gas tariff.

Tokyo Gas continuously promotes management efficiency, aims at "Enhancement of LNG value chain" that includes diversification of raw material procurement, expansion of safe and stable supply of energy, and provision of energy solutions such as distributed energy system in accordance with various needs, all set forth in "The Tokyo Gas Group's Vision for Energy and Future, Challenge 2020 Vision", and responds to the expectation and reliability from customers, shareholders and communities.

Ref. Gas tariff revision in the past

| Date | Average change in small-volume segment |
|---------------|---|
| Dec. 10, 1999 | -2.00% |
| Feb. 15, 2001 | -3.20% |
| Jan. 1, 2005 | -5.18% |
| Feb. 21, 2006 | -0.28%* |
| Apr. 15, 2008 | -1.51% |

*Revision accompanying decrease in standard calorific value of service gas
