**Conclusion of a heads of agreement with SUMITOMO JOINT  
ELECTRIC POWER regarding the Sale and Purchase of Liquefied  
Natural Gas (LNG)**

Tokyo Gas, Co., Ltd.

Tokyo Gas, Co., Ltd. (President: Takashi Uchida; "Tokyo Gas") is pleased to announce today the signing of a heads of agreement regarding the sale and purchase of liquefied natural gas (LNG) with SUMITOMO JOINT ELECTRIC POWER Co., Ltd. (President: Kazumune Yamamoto; "Sumitomo Joint Electric Power").

Under the agreement, Tokyo Gas will supply approximately 170,000 tons of LNG per annum to SUMITOMO JOINT ELECTRIC POWER for a period of 5 years extending from FY2021 to FY2025.

The two companies will build connections with the community and contribute to the development of the Shikoku area, through promoting the use of the environmentally-friendly natural gas and the stable and efficient use of energy, by providing a stable supply of LNG under this agreement.

The two companies will continue to move forward on discussions aimed at the signing of a final sales and purchase contract based on this agreement.

Tokyo Gas received Japan's first-ever LNG cargo on November 4th 1969 and this year marks the 50th anniversary. Tokyo Gas Group will continue to provide stable and safe source of energy to all our customers.
