Tokyo Gas continues to grow as "Energy Frontier"

The Tokyo Gas Group aims to be a true power source for people's lives and for society. Over 135 years, our work kept us in a face-to-face relationship with our customers. Based on the accumulated experience and trust derived from that history, we want to help create a bright, safe and pleasant tomorrow.

- Number of customers for city gas and electricity retail sales (thousands) Gas sales volume (thousand tons)
- Electric power sales volume (billion kWh)

1973

Sodegaura LNG

Terminal starts

- * The figures for number of customers and gas sales volume are on a non-consolidated basis up to fiscal 2002 and on a consolidated basis from fiscal 2003 onwards.
- * The gas sales volume for fiscal 2011 onwards includes the volume used in-house under tolling arrangements and the LNG sales volume.
- * The number of retail customers up to fiscal 2008 are estimated by multiplying the number of gas meters installed by the
